Sunglasses All the Rage

We all know we should protect our eyes from harmful UV rays.

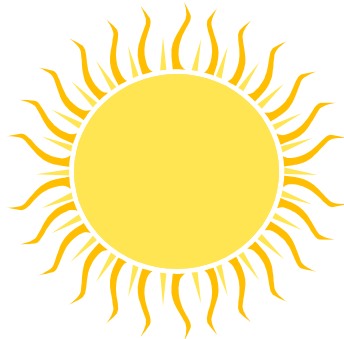

Now protecting your eyes puts you on the leading edge of fashion as sunglasses are hitting the world's fashion runways.

At **Primary Eye Care Centre** you can find the latest and most fashionable sunglasses to protect your eyes.

Drop in and let us discuss your sunglass needs.

Your prescription can be put in many of our sunglass styles.

If you golf, fish, mountain bike or just want to look good on the beach, we have the right lens and frame for you.
